# How to make your eyes shine?

If you want to change your make-up in just a few moments, reach for our **MAGIC EYE STYLIST PENCIL**. Apply it on a line created with a pencil or eyeliner and see how its character completely changes. Thanks to diamond particles, you will brighten up your look and add expressiveness to it.

The effect you get when you apply our **WATERPROOF EYE STYLIST PENCIL** in the shade **PLUM PURPLE**

The effect you get when you apply our **WATERPROOF EYE STYLIST PENCIL** in the shade **DEEP BLACK**

 **Why will you love it:**

for having a spectacular, multi-dimensional effect in just one stroke. When combined with our Calligraphy Liquid Eyeliner or Waterproof Eye Stylist Pencil, it transforms your makeup finish from matte to shimmering with silver flecks. It makes the look brighter and deeper.

 **What will delight you about it:**

provides a long-lasting effect, lasting for many hours. Does not smudge, does not crumble and does not rub off from the eyelid. The pencil is resistant to water and weather conditions. It works perfectly in the heat and rain.

 **How to use it:**

extend the stick and smoothly draw a line at the upper lash line - in the place of the previously applied Prouvé Calligraphy Liquid Eyeliner or Waterproof Eye Stylist Pencil.

 **What else is worth knowing about it:**

has an extremely gentle formula, so it can also be used by people with sensitive eyes and wearing contact lenses.
