Prouvé **Good Life**

Enjoy the moments with a cup of incredibly aromatic energizing coffee from our **Good Life** line. When choosing our coffee you can be sure that you will receive a carefully selected product that provides an exceptional taste experience.

Good to know:

Colombia is one of the top world producers of coffee. Thanks to the climate in this country, the coffee obtains an unique taste and aroma. For years the colombian coffee has been appreciated and recognized by the coffee lovers from all over the world.

☝ Why you won't change it for any other:

our coffee is a composition of a carefully selected Arabica beans originally from Colombia which is famous for its perfect conditions for cultivating the coffee. Comes from ecological plantations where products and substances not allowed in organic agriculture are not used. As a result, the coffee has a velvet and rich aroma as well as intense, fruity flavour. Every cup of this coffee is an exceptional experience for your senses.

☞ How to prepare:

put 1 or 2 teaspoons of coffee into a cup. Pour hot, but no boiling water.

This European Union's logo of organic food confirms the quality of our coffee and means that the coffee was produced in accordance with the organic agriculture regulations of European Union, supervised by certification bodies.
